Chairman Stanczak introduced the case. Ms. Simpson presented staff’s report and summarized the purpose for the hearing. She stated that there are a few updates to the preliminary plan staff is still awaiting from the developer. She noted the zoning and described the surrounding area and properties. She stated this property is a Tier One property in the comprehensive plan. She reviewed the intention to place a Kroger grocery store on the property, described the outlots, and located the private drive. She highlighted the access points to the various lots. Ms. Simpson reviewed the standards for approval of preliminary plan. She stated the plan and use aligns favorably with the comprehensive plan. She stated staff is recommending in favor with the condition that the changes requested be made prior to council consideration.

Chairman Stanczak asked if the north-south access drive would remain private; Ms. Simpson responded yes. Mr. Scritchlow asked if this was the property rezoned a few months ago and whether the rezoning aligns with the proposed lot configurations; Ms. Simpson noted that it was rezoned to B-1 from Manufacturing and it aligns with the proposed Lot 12 which is the north-south access drive. Mr. Kothe stated that staff is fine with the road remaining private.

Mr. William Wetzel, attorney for the property owner, was sworn in and spoke on behalf of the petitioner. He complimented City staff for the review process and detailed report. He introduced Mr. Jim Shirk as the property owner, and Don Adams, Farnsworth Group, and Brianna Cotton, Kroger as consultants on the project. Mr. Wetzel reviewed the approval process for preliminary plans in the City. He made the group representing the petition available for questions from the Commission.

Mr. Scritchlow asked why the southern entrance along Hershey Road was not lined up across from Sommerfield Boulevard; Mr. Kothe noted that typically staff would seek such an alignment however this location fit with the proposed Kroger site plan and was far enough away from Sommerfield to be able to not require the alignment.

Mr. Jim Schutter, Newmark Grubb Knight and Frank, representing the nearby Parkway Shopping Center, was sworn in. He asked about store size and timing for the development. Brianna Cotton, representing Kroger, responded to the question, noting this will be a 128,000 square foot store and their intention is to start construction later this year and open in 2018.

Mr. John Kanski, 3 Honeysuckle Court, was sworn in. He expressed concerns about potential impact on traffic of the development from the northern entrance along Hershey Road. Mr. Kothe noted that where entrances are located close to intersections, the access is restricted to right-in-right-out with a barrier median to prevent further congestion.

Mr. Boyle asked how close the petitioner is to addressing the remaining comments from staff. Mr., Simpson described the needed changes and stated she expects the corrections with a day.

Adoption of official 2016 Zoning Map	Adoption of the City’s official 2016 Zoning Map	Katie Simpson City Planner

REQUEST

That the Planning Commission recommend City Council pass a resolution to adopt the official 2016 Zoning Map for the City of Bloomington.

Background

Adoption of the official zoning map for the preceding calendar year is an annual, routine practice explained in Section 44.5-2 of the City’s Code. The revised official Zoning Map should indicate all changes made during the preceding calendar year.

Project Description

The proposed official Zoning Map (attached) contains all approved Zoning Map Amendments approved by City Council from the 2016 calendar year, January 1, 2016 through December 31 2016.

Compliance with the Comprehensive Plan

Adoption of the official 2016 Zoning Map is in accordance with Section 44.5-2 of the City’s Code as well as Goal 6, Objective b of the 2015 Strategic Plan Goals, “City decisions consistent with plans and policies.”

In accordance with the Illinois Municipal Code (65 ILCS 5/11-13-19) the City is required to adopt and publish an official zoning map no later than March 31 each year. The map should clearly show the existing zoning uses, divisions, restrictions, regulations and classifications for the preceding calendar year. In 2016, the following properties were rezoned:
