

DOWNTOWN SIGNAGE COMMITTEE MEETING

Minutes of the Tuesday, June 27th 2017 Meeting

Public Works Conference Room, Government Center

The forty-third meeting of the Downtown Signage Committee was held on June 27th, 2017.

Tricia Stiller convened the meeting at 8:00 a.m. Members present were Tricia Stiller, Crystal Howard, Beth Whisman, Russel Francois, Thom Jones, Carl Teichman, Vicki Tilton, and Dave Park. Members absent were Kyle Ham and Tom Krieger. City staff present were Kevin Kothe, Steve Rasmussen and Katie Simpson. Guests present were Alderman Diana Hauman, Alderman Scott Black, and Alderman Mboka Mwilambwe.

There was no Public Comment.

Minutes of the June 13th meeting were presented. It was noted that Thom was absent and that Vicki was connected to the WebEx conference remotely. Motion to approve with the corrections as noted by Thom, second by Russel and approved by all.

The meeting continued via a WebEx online and phone conference meeting with KMA in order to review the proposed gateway and directional signs. In addition to the taller post mount gateway concept, some other options were shown for ground mount monument style gateway signs including one with a changeable message/graphic display. Examples of the post mount gateway signs were shown for several streets entering into the downtown area using a Google street view backdrop. There was discussion about the gateway signs and the desire to make sure that they are noticed.

For the next meeting, KMA will develop concepts for a larger gateway which could span across the road and options to include a square instead of a circle in the backlight design.

The next meeting will be at 8AM, July 11th 2017.

Motion by Vicki with second by Thom to adjourn the meeting. All were in favor. The meeting adjourned at 9:05 A.M.
