AGREEMENT

This Agreement is made and entered into between the CITY OF BLOOMINGTON, ILLINOIS (hereinafter referred to as the "City") and the POLICE BENEVOLENT AND PROTECTIVE ASSOCIATION LABOR COMMITTEE (hereinafter referred to as the "Union").

WITNESSETH:

WHEREAS, it is the intent and purpose of this Agreement to promote and improve harmonious relations between the City and its employees; aid toward the economical and sufficient operations; accomplish and maintain the highest quality of work performance; provide methods for a prompt and peaceful adjustment of grievance; insure against any interruption of work, slowdown, or other interference with work performance; strengthen good will, mutual respect, and cooperation; and set forth the agreement covering rates of pay, hours of work and other conditions of employment where not otherwise mandated by statute, to be observed between the parties to this Agreement; and

WHEREAS, the rights, obligations, and authority of the parties to this Agreement are governed by and subject to the Constitutions

and laws of the State of Illinois, and Ordinances of the City of Bloomington.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1 RECOGNITION

Section 1.1 Representation and Bargaining Unit.

The City recognizes the Union as the sole and exclusive bargaining agent for all employees employed by the City in the rank of Sergeant or Lieutenant.

Section 1.2 Seniority.

The City shall maintain a seniority list noting the date of promotion and current classification for each bargaining unit employee. The Union shall be provided a new list upon request. Any objection or change to be made to the seniority roster shall be made in writing to the other party within fifteen (15) days of the date of deliverance of the seniority roster or the roster shall stand approved as delivered.

Seniority shall be computed from the date of promotion within the Department. In the event that more than one (1) person is promoted on the same day, the person occupying the higher position on the original promotional list shall have the seniority.

Any employees laid off shall be laid off in inverse order of seniority in the Department. Employees so laid off shall be recalled in order of seniority.

The seniority list shall also be utilized in reverse order when an employee is forced to fill a supervisory vacancy within the department.

ARTICLE 2 UNION SECURITY

Section 2.1 Dues Check Off.

Upon receipt of a signed authorization in the form set forth herein, the City will deduct from the pay of an employee in the manner and amount set forth in the authorization card set forth below.

AUTHORIZATION FOR PAYROLL DEDUCTION

TO: CITY OF BLOOMINGTON, ILLINOIS

I hereby request and authorize you to deduct from my earnings the monthly Union membership dues established by the Policemen's Benevolent Labor Committee.

I authorize and direct you to deduct one-half of said membership dues from each of my bi-weekly paychecks each month after the date this assignment is delivered to you and to remit same to the Treasurer of Unit No. 21.

This Agreement, authorization, and direction shall become operative on the date it is delivered to you and may be revoked in writing at any time.

Name _____ Date _____

Section 2.2 Fair Share.

Employees who are not members of the Union shall be required to pay in lieu of dues their proportionate fair share, in accordance with Section 3(g) of the Illinois Public Labor Relations Act, of the costs of the collective bargaining process, contract administration and the pursuance of matters affecting wages, hours and conditions of employment. The fair share payment, as certified by the Union, shall be deducted by the City from the earnings of the non-member employees and shall be remitted monthly to the Union at the address designated in writing to the City by the Union. The Union shall advise the City of any increase in fair share fees in writing at least fifteen (15) days prior to its effective date. The amount constituting each non-member employee's share shall not exceed dues uniformly required to Association members. Employees who are members of the Association who later become non-members of the Association shall also be subject to the terms of this provision.

The Union assures the City that any objections made to it regarding payment of employee's fair share will be handled in a

manner which complies with relevant constitutional procedures set out in Hudson v Chicago Teachers Union, Local 1.

Section 2.3 Indemnification.

The Union agrees to indemnify and hold the City harmless against any and all claims, suits, orders or judgments brought or issued against the City as a result of any action taken or not taken by the City as they relate specifically to this Article, Section 2.1 Dues Check Off and Section 2.2 Fair Share.

Section 2.4 Duty to Defend.

The parties agree to abide by the requirements of 65 ILCS 5/1-4-6. When an employee is served with process or otherwise receives legal notice that he is being sued for actions and/or omissions taken by the employee in the course of his employment, the employee shall give notice to the City of the lawsuit as set forth in such statute. The City shall furnish legal counsel to defend the employee and shall pay the costs and fees of such counsel. Employees that have retired, resigned, taken a leave of absence, are on light duty, medical leave, are on suspension or administrative leave shall enjoy this benefit with functionality equal to an active City employee.

In cases where there is the probability of a judgment rendered against the employee which would be in excess of the indemnification limits of Section 5/1-4-6 or of any applicable

insurance policies covering such employee, or in cases where there is the probability of a judgment of punitive damages against the employee, the employee shall be entitled to choose counsel from a list of attorneys competent in the area of tort or civil rights defense law. The attorneys on such list shall have been mutually agreed to by the Union and the City.

In all other cases (that is, in cases where the probability of a judgment against the employee in excess of the statutory or insurance policy limits is low or in cases where the probability of judgment of punitive damages against the employee is low), the City or the agent of the City shall furnish counsel of the City's choosing or of the City's agent's choosing. If the City and the employee do not agree on the probability of a judgment against the employee in excess of the statutory or insurance policy limits or on the probability of a punitive judgment against the employee, the employee and the City shall select a mutually agreeable third party who shall decide the appropriateness of the choice of counsel as soon as reasonably practicable. During the pendency of such decision, the City shall be under a duty to provide counsel to take appropriate actions in court to prevent the entry of a default judgment against the employee.

Counsel shall be provided to the employee through all stages of litigation as set forth above, up to and including the

conclusion of a single appeal. The City will not be obligated to provide counsel after the conclusion of a single appeal, unless the appeal results in a remand which requires a new trial, in which case counsel shall continue to be furnished during the pendency of the new trial and any single appeal following the second trial.

ARTICLE 3 GRIEVANCE PROCEDURE

Section 3.1 Time Limit for Filing.

No grievance shall be entertained or processed unless it is submitted within ten (10) days after the occurrence of the event giving rise to the grievance or within ten (10) days after the employee, through the use of reasonable diligence, should have obtained knowledge of the occurrence of the event giving rise to the grievance.

If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next Step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the City's last answer. If the City does not answer a grievance or an appeal thereof within the specified time limit, the Union may elect to treat the grievance as denied at that Step and immediately appeal the grievance to the next Step. The time limit in each Step may be extended by mutual written agreement of the City and Union representatives involved in each Step.

Section 3.2 Definition and Procedure.

A grievance is a dispute or difference of opinion raised by one (1) or more employees against the City, involving the meaning, interpretation or application of the express provisions of this Agreement. A grievance shall be processed in the following manner:

STEP 1: Any employee, who has a grievance, shall submit it in writing to the Chief of Police or his designee. The Chief of Police shall give his written answer within five (5) days after such presentation.

STEP 2: If the grievance is not settled in Step 1 and the employee desires to appeal, it shall be referred by the elected representatives of the bargaining unit in writing to the Human Resources Director within five (5) days after the Chief of Police's answer in Step 1. A meeting between the Human Resources Director, the Chief of Police and the elected representatives of the Union shall be held within five (5) days. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the Human Resources Director and the Union's elected representatives. If no settlement is reached, the Human Resources Director shall give the City's written answer to the Union's elected representatives within five (5) days following the meeting.

Section 3.3 Arbitration.

If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to

arbitration within five (5) days after receipt of the City's answer in Step 2. The parties shall attempt to agree upon an arbitrator within five (5) days after receipt of notice of referral and in the event the parties are unable to agree upon an arbitrator within said five (5) day period, the parties shall immediately jointly request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of five (5) arbitrators. Both the City and the Union shall have the right to alternately strike two (2) names from the panel one (1) at a time. The party requesting arbitration shall make the first strike. The remaining person shall be the arbitrator. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. The party that rejects the panel in its entirety will be responsible for the cost of obtaining the new panel. The parties agree that an arbitrator shall be chosen, or a list rejected, within 30 days of receiving the list from the FMCS. The arbitrator shall be notified of his selection by a joint letter from the City and the Union requesting that he set a time and place for the arbitration meeting, subject to the availability of the City and Union representatives.

Section 3.4 Authority of Arbitrator.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He shall consider and decide only the specific issue submitted to

him in writing by the City and the Union's elected representatives and shall have no authority to make a decision on any other issue not so submitted to him. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit in writing his decision within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon his interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding.

Section 3.5 Expenses of Arbitration.

The fee and expenses of the arbitrator and the cost of a written transcript shall be divided equally between the City and the Union, provided however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 3.6 Employee Rights.

Nothing in this Agreement prevents an employee from presenting a grievance to the City and having the grievance heard and settled without the intervention of the Union; provided that the Union is afforded the opportunity to be present at such

conferences and that any settlement made shall not be inconsistent with the terms of an Agreement in effect between the City and the Union. Nothing herein shall be construed to limit the Union's right to exercise its discretion to refuse to process employee grievances which it believes not to be meritorious.

ARTICLE 4 NO STRIKE AND NO LOCKOUT

Section 4.1 No Strike.

Neither the Union nor any officers, agents, or employees will instigate, promote, sponsor, engage in, or condone any strike, slowdown, concerted stoppage of work, or any other intentional interruption of the operations of the City regardless of the reason for so doing. Any or all employees who violate any of the provisions of this Article may be disciplined by the City up to and including discharge.

Section 4.2 No Lockout.

The City will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE 5 DISCIPLINE

Section 5.1 Standards of Discipline.

a) All disciplinary action against employees shall be carried out in accordance with department rules, regulations,

orders, policies, procedures, City ordinances or State laws governing the investigation and discipline of peace officers.

b) The parties recognize the principles of progressive and corrective discipline. In some instances, an incident may justify severe disciplinary action including termination/demotion, depending on the seriousness of the incident. A suspension will be upheld unless it is arbitrary, unreasonable or unrelated to the needs of the service. A termination/demotion will be upheld if a substantial shortcoming of the employee is proved, which is defined as that which renders the employee's continuance in office in some way detrimental to the discipline and efficiency of the service and which the law and sound public opinion recognize as good cause for his no longer holding the position. No non-probationary employee shall be disciplined without just cause.

Section 5.2 Grievance Procedure.

a) Disciplinary charges seeking an employee's termination/demotion or suspension shall be subject to the jurisdiction of the grievance procedure hereof. Disciplinary grievances shall be filed at Step 2 of Article 3, Section 3.2 of this Agreement.

b) An employee shall have ten (10) days from written service of charges upon an officer to file a grievance.

Section 5.3 Authority of Chief of Police.

The Chief of Police shall have the exclusive authority to suspend officers for a period of up to thirty (30) days. The Chief of Police shall have the authority to suspend in excess of thirty (30) days or to terminate/demote, subject to review by the arbitrator selected pursuant to Article 3, Section 3.3 hereof. The parties to this Agreement will mutually agree on expedited procedures for the selection of an arbitrator in cases of suspensions in excess of thirty (30) days or termination/demotion when the officer subject to suspension or termination/demotion chooses to use the arbitration process. The Chief of Police may suspend an employee with or without pay pending the imposition of a suspension in excess of thirty (30) days or termination/demotion by the arbitrator. Nothing in this Article shall be interpreted as prohibiting the grievance arbitrator from terminating/demoting an employee even though the recommendation of the Chief is for suspension only.

Section 5.4 Conduct of Investigations.

Investigations shall be conducted in accordance with the provisions of the Uniform Peace Officers Disciplinary Act. Employees shall be informed in writing of their rights under said Act and of their constitutional rights as dictated by current decisions of the U. S. Supreme Court prior to any interrogation.

From the date an employee is notified of an investigation the department will, every thirty (30) days, give a written status report to the employee.

a) The City shall determine that an investigation will not be conducted if an investigation was previously conducted based on identical allegations and when there is no reasonable likelihood that new information is available regarding the allegations.

b) Anonymous complaints shall not normally be made the subject of a formal inquiry or internal investigation.

c) Unless specifically authorized in writing by the City Manager, no complaint of misconduct or allegation of any misconduct concerning any incident or event which occurred five (5) years prior to the date the complaint or allegation became known to the department shall be made the subject of an investigation or informal inquiry.

d) Any internal investigation or informal inquiry shall be completed in a reasonable period of time. The parties herein agree a reasonable period of time shall be deemed to be no longer than 180 days after the receipt of the complaint. Mutual agreements for extensions will be allowed if the City can show due diligence in the processing of the investigation. Nothing in this section shall apply to any investigation of allegations of criminal wrongdoing by an employee.

e) At least seventy two (72) hours prior to the interrogation of an employee, the employee shall be informed, in writing, of the name of the person conducting the investigation.

f) Disciplinary action based on the complaint shall be commenced no later than forty-five (45) days after completion of the investigation.

g) The employee shall be notified, in writing, of the findings of the investigation or informal inquiry within fifteen (15) days after the completion of the investigation.

h) The provisions of 50 ILCS 725/1 et. seq. shall apply to all disciplinary investigations of conduct of an employee except to the extent to which the provisions of this Agreement provide specifically to the contrary.

i) Nothing in this section shall apply to questions from a superior officer in the course of performing his normal day-to-day supervisory duties.

j) Employees may conduct an investigation into other members of the bargaining unit, however, an employee who is asked to conduct such an investigation may be excused from such duty assignment upon showing reasonable cause.

k) Employees shall be notified of all exculpatory evidence known to the City within a reasonable time of its discovery by the person conducting the investigation on behalf on the City.

l) The City shall notify the Union of any books, papers, documents, charts, logs, handwritten logs, memoranda, photographs, or tangible objects which the City or its agents intends to use in any disciplinary hearing upon appropriate request by the employee or the employee's representative.

m) There shall be no off-the-record questions asked of the member during a formal interrogation.

Section 5.5 Limitation on Use of File Material.

Any record of reprimand may be used for a period of time not to exceed three (3) years (five (5) in the case of vehicle use violations) from the date the discipline is entered in the employee's permanent record and shall thereafter not be used to support or as evidence of adverse employment action, contingent on the employee having no other disciplinary actions during that period of time. If an employee is subjected to discipline within such period, all records of discipline in the employee's file shall be permitted to be used to support or as evidence of adverse employment action an additional five (5) years.

Section 5.6 Administrative Reassignment.

The City and the PBPALC recognize that the City has the right to place an employee on forced administrative reassignment under Bloomington Police Department SOP 4.11 Administrative Reassignment.

Section 5.7 Administrative Leave for Critical Incidents.

An officer involved in any incident in which the officer causes serious bodily injury or death, or is involved in any other serious incident as determined by the Chief to be of like or similar nature may, at the discretion of the Chief of Police, be placed on paid administrative leave with no diminution of benefits.

Section 5.8 Photo Dissemination.

Subject to the Illinois Freedom of Information Act, no photograph of an employee shall be made available to the media without the express written consent from said employee.

Section 5.9 Polygraph or Chemical Tests.

No employee shall be disciplined for refusing to submit to a polygraph test, or any other test questioning by means of chemical substance. Any polygraph or chemical test that an employee does submit to shall be completely voluntary. The results of the polygraph exam or chemical exam voluntarily submitted to by an employee shall not be admissible as evidence in proceedings before the BFPC or an arbitrator, unless written consent is obtained from the Union's legal counsel. The preceding sentence shall not be interpreted as prohibiting the admission of statements made by the employee to a polygraph examiner during the course of an examination. The accused officer and/or

the Union's legal counsel will be provided with a copy of any test results at no expense.

Section 5.10 Compulsion of Testimony.

The City shall not compel a bargaining unit employee to speak or testify before, or to be questioned by a citizen review board or similar entity relating to any matter or issue.

Section 5.11 Disclosure.

Employees shall not be required to disclose any item of his property, income, assets, source of income, debts or personal or domestic expenditures (including those of any member of his family or household), except for Ethics Statements legally required to be filed and formal investigations under the Police Officers' Disciplinary Act. The parties agree that disclosure of such personal information known to the Department via any means shall not be made available for public inspection or disclosure. The parties agree that such disclosure would be an unwarranted invasion of the personal privacy of employees otherwise intended to be exempt from any state or local freedom of information statute, ordinance or executive order.

Section 5.12 Subpoena Notification.

In the event the City or the Department receives a subpoena requiring the inspection, tender or submission of personnel, training, evaluative, disciplinary or investigative records and/or

files (other than Grand Jury subpoena which would specifically preclude disclosure) the City will notify the affected employee within forty eight (48) hours of the presence of the subpoena. The City further agrees to provide the affected employee with a copy of said subpoena upon initial notification.

Section 5.13 FOIA Notification.

In the event the City receives a Freedom of Information request (FOIA) on a specific employee the City will notify the affected employee, within five (5) business days. Such notification shall apply if requests are made for the employee's personnel file, training records or investigative records or files. In addition, notification will be required if emails, phone logs or audio/video recording are requested for an extended period of time for a specific employee.

Section 5.14 Fraternalization with Subordinates.

Fraternalization with patrol officers on or off duty shall not, in and of itself, be grounds for disciplinary action.

Section 5.15 Alcohol and/or Illegal Drug Policy-Prohibitions.

It is the policy of the City that the public has the reasonable right to expect persons employed by the City to be free from the effects of drugs and alcohol. The City has the right to expect their employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as to not violate any

established rights of employees. Employees shall be prohibited from:

- a) Consuming or possessing alcohol at any time during the workday or anywhere on any City premises or job sites, including all City buildings, properties, vehicles and the employee's personal vehicle while engaged in City business, unless such consumption or possession of alcohol is performed in the course of his official duties;
- b) illegally possessing, selling, purchasing, consuming or delivering any illegal drug at any time, provided that employees may purchase, possess, or deliver illegal drugs in the course of their official duties;
- c) being under the influence of alcohol or having a concentration of alcohol greater than .00 based upon the grams of alcohol per 100 milliliters of blood during the course of the workday or when reporting for scheduled work;
- d) being under the influence of alcohol or having a concentration of alcohol of .04 or more based upon the grams of alcohol per 100 milliliters of blood when recalled or ordered into work;
- e) failing to report to their supervisor any known adverse side effects of medication or prescription drugs which they are taking.

Section 5.16 Drug and Alcohol Testing Permitted.

Where the City has reasonable suspicion to believe that an employee is then under the influence of alcohol or illegal drugs or has alcohol or illegal drugs in their bloodstream during the course

of the workday, the City shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. A supervisor must document his reasonable suspicions concerning the affected employee prior to any order to submit to the testing authorized herein. There shall be no random or unit-wide testing of employees, except random testing of an individual employee as authorized in Section 5.20 below.

Section 5.17 Order to Submit to Testing.

At the time an employee is ordered to submit to testing authorized by this Agreement, the City shall provide the employee with a written notice of the order, setting forth objective facts and reasonable inferences drawn from those facts which have formed the basis of the order to test. The employee shall be permitted the opportunity to consult with a representative of the Union at the time the order is given. No questioning of the employee shall be conducted without first affording the employee the right to Union representation and/or legal counsel. Refusal to submit to such testing may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or rights that he may have. In cases where an employee is recalled or ordered into work, and he believes there is a possibility that his blood alcohol content is in excess of the

permissible levels he may request to take a breath test without any repercussions.

Section 5.18 Tests to be Conducted.

In conducting the testing authorized by this Agreement, the City shall:

- a) Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has been or is capable of being accredited by the National Institute of Drug Abuse (NIDA);
- b) insure that the laboratory or facility selected conforms to all NIDA standards;
- c) establish a chain of custody procedure for both sample collection and testing that will insure the integrity of the identity of each sample and test result. No officer covered by this Agreement shall be permitted at any time to become a part of such chain of custody;
- d) collect a sufficient sample of the same bodily fluid or material from an officer to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the employee;
- e) collect samples in such a manner as to preserve the individual officer's right to privacy, insure a high degree of security for the sample and its freedom from adulteration. Employees shall not be witnessed by anyone while submitting a sample, except in circumstances where there is reasonable belief that the employee has attempted to compromise the accuracy of the testing procedure;

- f) confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas chromatography, plus mass spectrometry or an equivalent or better scientifically accurate accepted method that provides quantitative data about the detected drug or drug metabolites;
- g) provide the employee tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the employee's own choosing, at the employee's own expense; provided the employee notifies the Human Resources Director within seventy-two (72) hours of receiving the results of the tests and provides a written copy of the subsequent test results to the Human Resources Director;
- h) require that the laboratory or hospital facility report to the City that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the City inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of tests administered), the City will not use such information in any manner or form adverse to the employee's interests;
- i) require that with regard to alcohol testing, test results that show an alcohol concentration of .01 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (applies in situations covered by Section 5.14 (c); in cases covered by Section 5.14 (d), test results

that show an alcohol concentration of .04 or more based upon the grams of alcohol per 100 milliliters of blood shall be considered positive);

- j) provide documentation of a positive test result to the officer including a copy of all information and reports received by the City in connection with the testing and the results;
- k) insure that no employee is the subject of any adverse employment action except emergency temporary reassignment with pay during the pendency of any testing procedure. Any such emergency reassignment shall be immediately discontinued in the event of a negative test result.

Section 5.19 Right to Contest.

The Union and/or the employee, with or without the Union, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results of any other alleged violation of this Agreement. It is agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impair any legal rights that employees may have with regard to such testing. Employees retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Union.

Section 5.20 Voluntary Requests for Assistance.

The City shall take no adverse employment action against an employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, solely by reason of such seeking of treatment, counseling or other support, other than the City may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. The City shall make available through its Employee Assistance Program a means by which the employee may obtain referrals and treatment. All such requests shall be confidential and any information received by the City shall not be used in any manner adverse to the employee's interests, except reassignment as described above.

Section 5.21 Discipline.

Employees who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action by the City by reason of seeking such assistance. Employees ordered to submit to drug or alcohol testing under this article who test positive on both the initial and the confirmatory test for drugs or are found to be under the influence of alcohol may be disciplined up to and including discharge. If such employee is not discharged, his continued employment is conditioned upon:

- a) the employee agreeing to appropriate treatment as determined by the physician(s) involved;
- b) the employee discontinues his use of illegal drugs or abuse of alcohol;
- c) the employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve (12) months;
- d) the employee agrees to submit to random testing during hours of work during the period of "after-care".

Employees who do not agree to the foregoing, or who test positive a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work shall be subject to discipline, up to and including discharge.

The foregoing shall not be construed as an obligation on the part of the City to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the officer's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence pending treatment. When an employee voluntarily submits to treatment for alcohol or drug abuse, any

discipline imposed upon such officer shall not be increased or imposed solely due to the employee's submission to such treatment. Employees who are taking prescribed or over-the-counter medication that has adverse side effects which interfere with the employee's ability to perform his normal duties may be temporarily reassigned with pay to other more suitable police duties.

Section 5.22 Fitness for Duty.

No employee shall be requested or required to undergo physiological, psychiatric or psychological testing unless the Chief of Police has reasonable cause to believe the employee is unfit for duty. The basis for reasonable cause shall be set forth in writing to the employee at the time the employee is ordered to undergo such testing. Employees shall have the right to Union representation when being informed of the need for testing, and shall have the right to secure similar testing, at their own expense, from licensed psychiatrists, psychologists or physicians of their own choosing. The City recognizes the employee's right to privacy and agrees that any information obtained pursuant to this section shall be maintained in the strictest of confidence. Any and all information, reports and opinions that are provided to the City as a result of such tests shall be provided, in full, to the employee.

Section 5.23 Confidentiality of Employee Assistance Program.

The City agrees that any communication whether verbal, written, electronic or otherwise, made by an employee to any counselor or employee of the EAP, peer counselor or PATH counselor, shall be confidential and privileged. Such communications shall be protected from disclosure unless disclosure of communication regarding eminent danger is legally required. Information about an employee participating in the EAP program will not be disclosed to anyone without written permission from the employee. The employee's job security and promotional opportunities will not be jeopardized solely by participating in the EAP program or programs referred to by the EAP program.

Section 5.24 Felony Indictment.

When an employee is arrested for or charged with a criminal offense or when a domestic violence order of protection that includes a firearms prohibition is issued against an employee, the employee will be immediately placed on administrative leave with pay unless the employee has been formally charged in court with a felony, in which case the administrative leave shall be without pay.

When a domestic violence order of protection that includes a firearm prohibition is issued against an employee as a result of an

emergency or interim hearing and the employee has not been formally charged in court with felony, the employee will be immediately placed on administrative leave with pay, or at the Chief's discretion, on restricted duty with police powers suspended for a period of up to ninety (90) calendar days pending a plenary hearing or the dismissal of the order of protection, whichever occurs first.

When an officer is formally charged with a felony and such charge results in anything other than a finding of guilty, the City shall make the officer whole for any regular wages, accrued benefits and seniority forfeited between the time the officer was placed on Administrative leave without pay and the time of the ruling and/or decision by the court or the State's Attorney. It is understood that any disciplinary suspension or termination related to the criminal offense or felony charge is subject to the grievance procedure, and that the determination of any forfeited compensation, if any, will be based on the settlement of the grievance or the decision of the labor arbitrator.

The City shall promptly investigate the incident consistent with the City's policy of not interfering with a criminal investigation. In the event that criminal charges are filed by indictment or information, or in the event a domestic violence order of protection that includes a firearms prohibition is entered or

continued after a plenary hearing at which the employee had the opportunity to appear, the employee will be carried on administrative leave without pay, (1) pending resolution of the criminal charge; (2) a determination by the City that, because of the nature of the charges, the employee may be returned to full or restricted duty during the pendency of the charges; or (3) termination of an order of protection that includes a firearms prohibition.

Time on such administrative leave without pay shall not be considered discipline, but the City shall credit such time on administrative leave without pay against any suspension that might subsequently be entered against the employee for that incident.

ARTICLE 6 HOURS OF WORK AND OVERTIME

Section 6.1 Regular Workday and Workweek.

Definition. The regular workday shall be eight (8) hours of work within a twenty-four (24) hour period and shall commence when an employee is scheduled to start work. The regular workweek shall be forty (40) hours per week and shall commence with the employee's first regular workday commencing on or after Sunday of each week.

Section 6.2 Shift Assignments.

- (a) Annual Scheduling. For a period of fifteen (15) days, beginning November 10th of each calendar year, the Chief of Police shall post a list of shift assignments available to the Sergeants of the Patrol Division and a separate list for Lieutenants of the Patrol Division. Said assignments shall be chosen by seniority in rank during said fifteen (15) day period. The new schedule shall be implemented beginning the last week of the current year and the first week of the coming calendar year. During such two (2) week period (which is a transition period), Sergeants or Lieutenants may be assigned different days off from those bid. In no event shall a Sergeant or Lieutenant work more than five (5) consecutive days without payment of overtime. Sergeants and Lieutenants are not guaranteed of two (2) consecutive days off during the transition period.

- (b) Vacancies. In the event of a vacancy in the patrol division during the year, in a reasonable period of time, the Chief of Police will post the vacancy for a period of ten (10) days. During the period of time which the vacancy is posted, employees may bid for the vacancy based on seniority in rank. The Chief of Police shall attempt to give notice of the vacancy to any member of the bargaining unit not scheduled to work during such ten (10) day period. Notice may be given by making in person contact via the telephone with the employee or by mailing a copy of the notice of vacancy by first class mail to the employee at his residence according to departmental records.

- (c) Training Assignments. There shall be no probationary period preceding permanent appointment to either the rank of Sergeant or Lieutenant. However, for training and evaluation

purposes a candidate for promotion to the rank of sergeant will receive on-the-job training in the capacity of an acting sergeant for a period of not more than six months. At the end of the training period the Chief of Police shall determine whether to recommend to the Board of Fire and Police Commissioners that the candidate be permanently appointed to the position of sergeant or to recommend another candidate.

- (d) Special Assignments. The parties agree that a Sergeant or Lieutenant, based on specific articulable talents, may be temporarily reassigned to a special project by the Chief of Police. Reasonable efforts to minimize hardship(s) created by the reassignment shall be made whenever possible. No other employee shall be involuntarily reassigned as a result of the special project employee's shift change. The assignment of an employee to a special project shall not be done for punitive reasons or to circumvent the bidding process.

Section 6.3 Breaks.

All on-duty breaks must be taken within the corporate limits of the City of Bloomington, except that an employee on second shift living within the corporate limits of the Town of Normal, or on a lot which is adjacent to and contiguous with the corporate limits of the City of Bloomington, or on a lot which is unincorporated but inside the corporate limits of the City of Bloomington, shall be allowed to take his main meal break at his residence. For any employee who moves from his current residence as of May 1,

1999, all on-duty breaks must be taken within the corporate limits of the City of Bloomington.

Section 6.4 Overtime.

- (a) The term "authorized overtime" shall be defined as any hours worked by an employee in excess of eight (8) hours a day, or in excess of forty (40) hours in a workweek as defined in Section 6.1 Regular Workday and Workweek where said employee is assigned or directed to perform such work by a supervisor.

- (b) All authorized overtime worked by an employee shall either be paid at one and one-half (1-1/2) times the straight-time hourly rate for each overtime hour worked or be placed in the employee's compensatory time off bank as described below. All overtime will automatically be paid each pay period unless the officer notifies the Police Department that they would like to bank all or a specific portion of their overtime. Time placed in an employee's compensatory time off bank shall be calculated at one and one-half (1-1/2) times the overtime hours worked, and placed in their bank at straight-time hours to a maximum bank of one hundred twenty (120) straight time hours. Any overtime over the 120 hour straight time hour maximum on the last day of the

month shall be sold first from the City overtime bank and then from the non-City entity bank, it will be paid out at their straight-time rate of pay. If an employee's time is sold from their compensatory time off bank, it will be paid out at their straight-time rate of pay. Officers are only allowed to utilize as compensatory time off up to forty (40) straight-time hours of compensatory time earned from hire-back work for a non-City entity (e.g., Wal-mart; Bloomington High School) per calendar year; the remaining hours earned from hire-back work for a non-City entity shall be paid to the employee. In no case will an officer be allowed to utilize compensatory time off from any source in excess of one hundred twenty (120) hours per calendar year.

- (c) No employee covered by this agreement will be permitted to work any job in excess of sixteen (16) hours in any twenty-four (24) hour period or more than sixty-four (64) hours during any week unless authorized by the Chief of Police or his designee. However, court time, police emergencies, or major criminal investigations shall not count in the computation of these overtime caps.
- (d) Should any provision of the Agreement be found by the United States Department of Labor, or a court of competent

jurisdiction, to violate the provisions of the FLSA concerning the use of compensatory time off, then the provision(s) found to be violative of the FLSA relating to the use of compensatory time off in lieu of pay shall immediately sunset and thereafter be subject to renegotiation upon the request of either party.

Section 6.5 Call Back.

Employees who have completed their scheduled work period and who, after having left work, are called back to work on that day as authorized by the Chief of Police, or his designee, shall receive a minimum of two (2) hours work or two (2) hours pay at the appropriate rate.

Section 6.6 No Pyramiding.

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

Section 6.7 Training Time.

1. Assigned by Supervisor:
 - (a) If a Sergeant or Lieutenant is assigned by a supervisor to attend training on his/her regular allowed leave day, he will be compensated as overtime in the manner provided in Section 6.4 Overtime.
 - (b) If training occurs on a Sergeant's or Lieutenant's regularly scheduled workday, the supervisor has the option of making the training assignment the Sergeant's regular work assignment for that day or to require the

Sergeant to work his regularly scheduled assignment in addition to attending training.

- (c) If a Sergeant or Lieutenant attends training as his regular duty assignment and is also required to work his regular duty assignment on the same day, he will be compensated as overtime in the manner provided in Section 6.4 Overtime.

2. Voluntarily Attended With Supervisor Approval:

If training is voluntarily attended with approval of the Sergeant's supervisor, it will be compensated as "Training Allowed Leave" (TAL) time and is to be taken during the pay period in which the training occurred. The Training Allowed Leave benefit time will be "mutually agreed upon" by the Sergeant and his/her supervisor. In order to arrive at a "mutually agreed upon" TAL, the supervisor will determine which dates during the pay period are sufficiently staffed to permit the Sergeant to take time off. The supervisor will provide the Sergeant those dates and allow the Sergeant to select his TAL. Once granted, the TAL is treated as a benefit day and will not be canceled except under emergency conditions. If there are days available within the pay period and the Sergeant fails to schedule a TAL, the TAL may be assigned by the supervisor. If there are no days available during the pay period, any training attended in excess of the officer's eight (8) hour work day or forty (40) hour work week will be

compensated as overtime in the manner provided in Section 6.4 Overtime.

If a Lieutenant voluntarily attends training with approval of his supervisor, it will be compensated as "Training Allowed Leave" (TAL) time and is to be taken at the Lieutenant's discretion during the pay period in which the training occurred.

If more than one staff officer from the same shift or division is scheduled for training on the same day, rank and seniority will determine who will be offered the choice of Training Allowed Leave time in lieu of working the regular duty assignment that day.

3. Voluntarily Attended Without Supervisor Approval:

If a Sergeant or Lieutenant attends training without supervisor approval no overtime will be paid, nor will a Training Allowed Leave (TAL) day be owed.

4. Special Supervisory Training:

The Chief of Police has the right to require employees to attend specialized supervisory training. In recognition of the exceptional hardships and time incurred while attending a two-week supervision and/or management school, and/or up to a twelve week Police Supervision School, the City and the Union agree to the following:

The City shall allow those who attend a two week Police Supervision School, two (2) additional paid leave days off before the school begins and two (2) additional paid leave days off immediately after the school ends as compensation for homework, research, travel time, etc.

The City shall allow, those who attend a ten to twelve week supervision school, three (3) additional paid leave days off before the school begins and five (5) additional paid leave days immediately after the school ends as compensation for homework, research, travel time, etc.

In the event, an employee requires additional time for homework or research such request will be made to the Chief prior to incurring such time. If additional time was required for travel this should be reported prior to the end of the pay period.

Section 6.8 Acting Pay.

When an employee covered by this Agreement is designated by the Chief of Police or the Chief's representative to perform the duties of a superior officer for a full shift or longer on a temporary or acting basis, he shall receive one (1) hour of overtime per working day in addition to any other authorized overtime to which he is entitled. This section shall apply to extended illness, disability, training or other extended absences in excess of ten (10) working days. This section shall not apply to vacations.

Section 6.9 Volunteers.

The use of volunteers, including Explorers and other civilians, will not result in a circumvention of, or reduction in, supervisory overtime slots available to employees covered by this agreement while working in a supervisory position.

Section 6.10 Court Time Overtime.

An employee shall receive a minimum of two (2) hours of compensation at his appropriate overtime rate for appearances in court or at the State's Attorney's Office when such appearances occur outside of the employee's regular duty hours and such appearances are in the employee's official capacity as a City of Bloomington Police Officer.

If, at the expiration of the two hour period referred to in the previous paragraph, the employee is still in court or at the State's Attorney's Office, the employee shall receive overtime compensation for any additional time actually spent by the employee in court or at the State's Attorney's Office.

If at any time after the expiration of the original two (2) hour period referred to in the first paragraph of this Section, the employee is released from attendance in court or the State's Attorney's Office but is required to make a subsequent appearance that same day outside of the employee's regular duty hours, the employee shall receive a new minimum of two (2)

hours overtime compensation for such subsequent appearance. Overtime in excess of the two (2) hour minimum for the subsequent appearance shall be calculated in the same manner as for overtime in excess of the original two (2) hour minimum.

Section 6.11 Temporary or Emergency Situations.

Whenever it is determined by the Chief of Police that an emergency exists or the efficiency of the Department requires the assigning of an employee to duties without regard to seniority, he may do so for a period not to exceed thirty (30) calendar days in any calendar year. Assignment shall not be made for punitive reasons or in an effort to circumvent the bidding process.

Section 6.12 Outside Employment.

All outside employment situations involving the use of general police powers shall be assigned by the Department. The employee shall be considered on duty with the Department. The City shall enter into a contract with the non-City entity desiring police services. No employee shall engage in outside employment involving the exercise of general police powers absent assignment by the Department and a contract with the non-City entity. Assignments shall first be made on the basis of seniority in the Department. Once an employee declines an assignment or serves an assignment, his name shall be placed at the bottom of the seniority list. Nothing herein prohibits an employee from

utilizing compensatory time due to the employee to obtain an excused absence from his regularly assigned duties and then accepting a currently posted outside employment assignment, provided, the employee would otherwise be permitted to use compensatory time.

Employees shall have the option to select compensatory time in lieu of pay, as outlined in Section 6.4 (b) Overtime, for outside work, unless the terms of a grant which is used to compensate employees prohibit the use of compensatory time in lieu of overtime.

The City agrees that if it increases the rate charged for hire back work beyond \$70 per hour, except as provided below, then the Union may elect to have the language of the prior contract, May 1, 2007-April 30, 2011, on the issue of Compensatory time off supersede the current language of Section 6.4 (b) Overtime of this contract on the same subject. Beginning May 1, 2012 and beginning May 1 of each succeeding year, the hourly rate sufficient to trigger the reversion to the prior contract language shall be adjusted upward by the amount of the percentage wage increase, if any, received by bargaining unit members in the previous year.

Section 6.13 Field Training Supervisor.

Prohibitions against pyramiding shall not apply to any part of this section. An employee designated and trained as a Field Training Sergeant shall receive $\frac{3}{4}$ hour of overtime per day, per probationary patrol officer, when working as a Field Training Sergeant in Phase II (until the officer is certified for solo patrol) of the Field Training Process, or its equivalent. The Field Training Lieutenant shall receive $\frac{3}{4}$ of an hour of overtime per day while there are trainees Phase II (until the officer is certified for solo patrol) of the Field Training process, or its equivalent, except when performing the duties of a Field Training Sergeant, at such time he shall receive the same benefits as a Field Training Sergeant in addition to his pay as the Field Training Lieutenant.

Section 6.14 New Positions.

If any new specialized Sergeant or Lieutenant positions are created, and filled, the parties agree to negotiate regarding terms and conditions of employment not already governed by this agreement.

ARTICLE 7 WAGES

Section 7.1 Wages.

a) Effective May 1, 2017, the rates of pay for all officers covered by this Agreement will be increased by 2.50% over the

rates of pay in effect November 1, 2016, except as otherwise provided in Appendix "F" of the previous contract.

b) Effective May 1, 2018, the rates of pay for all officers covered by this Agreement will be increased by 2.50% over the rates of pay in effect May 1, 2017, except as otherwise provided in Appendix "G".

c) Effective May 1, 2019, the rates of pay for all officers covered by this Agreement will be increased by 2.50% over the rates of pay in effect May 1, 2018, except as otherwise provided in Appendix "H".

d) For those employees who do not elect to have direct deposit, paychecks will be mailed on payday by the Human Resources Department.

Section 7.2 Payment in Lieu of Holiday Pay.

Effective May 1, 2003 Sergeants and Lieutenants shall be paid in lieu of Holiday pay an amount equivalent to one hundred and thirty-nine (139) hours at their regular rate. This additional pay shall be prorated among all said employees and shall be included in the basic bi-weekly salary set forth in the Appendixes to this Agreement.

ARTICLE 8 VACATION

Vacation leave is accrued upon the occasion of the anniversary of an employee's original date of hire according to the following schedule:

Years of Continuous Service	Length of Vacation
3 years, but less than 8 years	2 weeks
8 years, but less than 15 years	3 weeks
15 years, but less than 20 years	4 weeks
20 years or more	5 weeks

Fifty percent (50%) of any accumulated unused vacation time may be carried over from year to year. The City has the right to require one (1) employee to be scheduled per shift which does not require the payment of overtime to an employee.

ARTICLE 9 LEAVES

Section 9.1 Emergency Leave.

When there is an emergency situation and/or serious illness or other serious extenuating circumstance at the home of an employee, said employee may be granted time off duty, at the discretion of the Lieutenant, to make arrangements to alleviate the emergency situation. An employee on Emergency Leave under this Section shall utilize accrued paid time off (except sick

leave) in order to remain in a paid status during the period of such emergency leave.

Section 9.2 Personal Convenience Days.

Each employee shall be granted two (2) Personal Convenience Days. Such Personal Convenience Days may be taken in increments of full or half days at the convenience of the employee subject to the discretion of the Department Head. Personal Convenience Days may not be accumulated from one fiscal year to another.

Section 9.3 Sick Leave.

Sick Leave Accrual. Officers will accrue sick leave at a rate of twenty (20) hours each month of completed service for the first twelve (12) months of employment, after which it shall accrue at a rate of eight (8) hours for each month of completed service up to a maximum of one thousand four hundred forty (1440) hours which will be paid at full pay during the time of illness. Officers hired (not promoted) after February 8, 2016 shall accrue up to a maximum of six hundred and seven (607) hours which will be paid at full pay during the time of illness.

Officers hired (not promoted) on or after February 8, 2016 shall thereafter have 1.33 hours deducted monthly from their sick leave accrual converted to cash at the officers month's ending

hourly rate of pay and contributed by the Employer directly into the Officers Retirement Health Savings (RHS) account.

Sick Leave Usage. Sick leave is intended for officer illnesses or injuries which are non-duty related. Officers may also use sick leave for doctors visits and illnesses within the officer's immediate family (defined as spouse, child, step child). It is expected that an officer utilizing sick leave will be at their residence during their hours of work unless they are seeking medical treatment, obtaining medication related to the illness or otherwise engaged in activity consistent with the use of sick leave.

Officers calling in sick should contact the Shift Commander as soon as possible, but at least one (1) hour prior to the assigned reporting time. They should notify the Shift Commander if they are using sick leave for themselves or an immediate family member. When an employee has used sick or injury leave for a period of three (3) full consecutive scheduled work days or longer, excluding regularly scheduled days off, it will be that employee's responsibility prior to his first day returning to work to provide a signed return to work release from his health care provider.

Rapid Accrual. Whenever an officer with at least 160 hours of sick leave uses 160 hours of sick time or more by reason of a serious health condition, defined as an illness, injury, impairment or physical or mental condition involving in-patient

care or continuing treatment by a health care provider, and depletes all but eighty (80) hours or less of sick leave by reason of such serious health condition, the officer upon return to full-time work shall accrue sick leave at the rate of twenty (20) hours per month, less any time used during accrual, until his sick leave returns to the level maintained before the serious health condition.

Sick Leave Abuse. Abuse of paid sick leave is prohibited. Without limiting the City's ability to monitor, investigate and discipline sick leave abuse, the following situations are examples of potential sick leave abuse:

- 1 A pattern of sick leave usage, such as repeated use of one or two days of sick leave in conjunction with regular days off, holidays, vacations or other days off, or repeated use of sick leave on a particular day of the week
- 2 Use of sick leave and being seen engaged in activities that indicate an ability to work.

Concerns regarding sick leave abuse will be addressed with the officer involved as follows:

If the Officer (or his immediate family member) is experiencing an on-going medical situation the employer will provide the officer with the opportunity to provide information regarding the medical need for the officer to be absent from work from the treating physician. If the officer does not provide information which verifies the medical need for use of sick leave

the employer may investigate and, if appropriate, discipline the officer. In situations where sick leave abuse is confirmed, the officer involved may be required to provide medical verification of absences for any future sick leave occurrences for a period of six months.

Sick Maximum/RHS. Officers who reach the 1440 hour maximum will be eligible for eight (8) hours of the previous month's accrued but unused hours of sick time to be placed in the Retirement Health Savings account at the employee's month ending hourly rate. To be effective at time of ratification by the bargaining unit.

For Officers hired (not promoted) after February 8, 2016 all sick leave hours accumulated by an officer over 607 hours shall be compensated at seventy (70%) of the officer's month ending hourly rate of pay and paid by the City into the officer's RHS account on a monthly basis in any month when an officers sick leave accrual exceeds 607 hours.

Sick Leave Buy Back.

Officers who retire or leave the employment of the City under honorable circumstances (defined as any separation of service other than termination), with 20 or more years of service as recognized by the Police Pension Board as a sworn police officer, shall convert accrued sick leave to a Retirement Health

Savings (RHS) account. The eligible conversion is up to a maximum of one thousand four hundred forty (1440) hours of accumulated unused sick leave at the officer's final hourly rate.

Officer hired (not promoted) after February 8, 2016 may accumulate up to 607 hours for buy back purposes. Payment for unused sick leave hours up to the maximum allowed shall be made to Officers who retire or leave the employment of the City under honorable circumstances (defined as any separation of service other than termination), with 20 or more years of service as recognized by the Police Pension Board as a sworn police officer, in accordance with the following schedule:

1-125 hours	20%
126-255 hours	40%
256-380 hours	60%
381-607 hours	80%

All hours accumulated by an officer shall be paid by the City at the officer's final hourly rate of pay into the officer's RHS account. If an officer is eligible for an 80% buyback then all accrued hours from 1 to the officer's accrual shall be paid at 80%. If an officer is eligible for a 60% buyback then all hours from 1 to the officer's accrual shall be paid at 60% and so on.

If an officer dies while employed with the City and would have been eligible to receive payment of accumulated sick leave, said payment shall be paid to the RHS pursuant to the RHS plan document. The RHS plan document will be administered pursuant to the document in effect as of May 2008.

Section 9.4 Jury Duty.

Upon submission of official notification from the Jury Commission, an employee called to jury duty shall be released as provided in this Section. If the jury service occurs during the employee's shift, the employee shall be released without loss of pay; if the service occurs on the same day as an employee's duty, but not on his shift, the employee shall be given release time with full pay in an amount equal to the length of jury service but not to exceed eight (8) hours. An employee released under this Section shall pay the City all amounts received for jury service for the period of time the employee is released.

Section 9.5 Court Days.

In recognition of the inconvenience endured by employees in preparation for criminal trials which result in continuances or pleas of guilty which make the officer's appearance in court unnecessary, employees are granted thirty-two (32) hours paid leave per year. This is in addition to all other paid leaves granted by this Contract, and shall be referred to as "Court Days". These

days are to be used for paid leave purposes only, and are not subject to overtime, compensatory time off, or carryover.

Section 9.6 Disciplinary Leave.

The parties agree that when a disciplinary suspension is assessed, an employee may elect to work those suspension days and forfeit an equivalent amount of vacation, PC, CE, earned time or straight time in lieu of serving the suspension without pay and without impact to his seniority. However, for purposes of progressive discipline, the official record and employment personnel file shall show that the disciplinary suspension was given and served.

Section 9.7 Convention Leave.

Executive Board members and/or delegates shall be allowed up to 48 hours paid release time annually in aggregate to attend the Policemen's Benevolent and Protective Association of Illinois State Convention. The president or his designee shall give notice to the Police Chief or his designee and all effected supervisors of the names of the delegates attending the convention and the period to be covered under this section. Notice should be given not less than 14 calendar days prior to the leave.

Section 9.8 Other Leaves of Absence.

Leaves of absence as defined by Bloomington City Policy, insofar as they are applicable to the Department and not contained or otherwise provided for in this Agreement, are hereby incorporated into this Agreement.

ARTICLE 10 UNIFORMS AND CLOTHING

Section 10.1 Uniforms.

The City agrees to furnish employees with equipment pursuant to Department rules and regulations in effect on May 1, 1999. Such equipment not maliciously damaged by the employee in the line of duty will be repaired or replaced at the City's expense.

Section 10.2 Clothing Allowance.

Effective May 1, 2002, non-uniformed employees shall be furnished an allowance of One Thousand Dollars (\$1,000.00) per year if they are assigned to duties requiring plainclothes on January 1 of any calendar year. Payment shall be made to such eligible employee by January 15 of said calendar year. If an employee enters a plainclothes assignment after January 1, the employee shall receive \$83.00 per remaining calendar month. The allowance shall be paid in lump sum.

ARTICLE 11 FRINGE BENEFITS

Section 11.1 Physical Fitness Incentive.

The City will pay seventy-five dollars (\$75.00) toward the annual dues at any physical fitness center designated by the City for any employee covered by this Agreement who desires to receive such contribution. It is understood and agreed between the parties that the creation of a bargaining unit position of one Professional Standards Lieutenant is hereby mutually consented to. It is also understood and agreed upon by the parties that the Lieutenant selected to fill the position of Professional Standards Lieutenant shall be a management decision and the assignment to this position is not subject to the bidding process.

It is understood and agreed between the parties that the position of Professional Standards Lieutenant is a bargaining unit position, and as such, subject to the terms and conditions of employment otherwise covered in the collective bargaining agreement. **SIDE LETTER OF AGREEMENT

It is understood and agreed between the parties that the creation of a bargaining unit position of one Court Sergeant is hereby mutually consented to. It is also understood and agreed upon by the parties that the Sergeant selected to fill the position of Court Sergeant shall be a management decision and the assignment to this position is not subject to the bidding process.

It is understood and agreed between the parties that the position of Court Sergeant is a bargaining unit position, and as such, subject to the terms and conditions of employment otherwise covered in the collective bargaining agreement. It is understood and agreed between the parties that no other special considerations nor exclusions from, the current collective bargaining agreement have been authorized.

APPENDIX E - Re: Straight Time

**SIDE LETTER OF AGREEMENT
BETWEEN
THE CITY OF BLOOMINGTON AND THE PBPALC**

It is understood and agreed between the parties that the custom of Straight Time is a historical practice that has been in effect for many years and is hereby mutually consented to. It is also understood and agreed upon by the parties that the process of earning, accumulating and the use of Straight Time is a benefit that shall not be altered except via the collective bargaining process once this memorandum is signed by all parties. It is also understood and agreed between the parties that the provisions of this memorandum shall constitute a voluntary change, instituted by both parties, to modify specific portions of the historical practice and thereby promulgate a new modified practice.

It is understood and agreed between the parties that Straight Time shall be earned at a rate of one half hour per actual day worked by every Sergeant and Lieutenant assigned to the patrol division and proactive division. It is understood and agreed between the parties that the one half hour per day worked is primarily intended for, but not necessarily specifically limited to,

time used for preparation and miscellaneous duties conducted by patrol supervisors and proactive supervisor(s) prior to the Sergeant(s) and Lieutenant(s) actual tour of duty. It is understood and agreed between the parties that the earning of Straight Time is not predicated upon the number of Sergeant(s) or Lieutenant(s) working a shift on any given day.

It is also understood and agreed between the parties that earning straight time is not automatic, nor based upon a Sergeant or Lieutenant simply being on duty. It is understood and agreed the earning of straight time is contingent upon actually being engaged in some sort of shift preparation work or other miscellaneous duty that exceeds the Sergeant or Lieutenant's regular shift.

It is understood and agreed between the parties that Straight Time shall be available to Sergeants and Lieutenants of all divisions. However, the earning of this Straight Time shall not be connected to the preparation of shift briefings for specialized divisions. Straight Time can be accumulated, at the discretion of said supervisor of any division, subject to good judgment and documentation. It is understood and agreed between the parties that this provision constitutes no change in the past practice.

It is understood and agreed between the parties that up to a maximum of twenty four (24) hours of Straight Time can be

banked by any supervisor assigned to the patrol division or specialized division. All Straight Time in excess of twenty four (24) hours shall be forfeited. It is understood and agreed between the parties that any Sergeant or Lieutenant with over 24 hours of accumulated Straight Time, at the time this agreement is signed by all parties, shall have until December 31, 2001 to comply with this provision.

It is understood and agreed between the parties that Straight Time may be taken in any increment. This includes the ability of a Sergeant or Lieutenant to use Straight Time to take an entire day off if the Sergeant or Lieutenant so desires.

It is understood and agreed between the parties that the *earning* of straight time shall be time for time. It is also understood and agreed between the parties that the *use* of straight time shall be time for time. An example of this would be as follows: One half (1/2) hour of banked straight time entitles the employee to one half (1/2) hour of time off. Eight hours of banked straight time entitles the employee to eight hours off. Nothing herein suggests that the Sergeant or Lieutenant must use the straight time in any specific increment. The aforesaid is proffered for the purpose of clarity only.

It is understood and agreed between the parties that a Sergeant or Lieutenant shall not be ordered to accumulate

Straight Time in order to avoid earning overtime. It is understood and agreed between the parties that this Memorandum of Understanding is not meant to conflict with other provisions of the Collective Bargaining Agreement and, as such, no other terms or conditions of employment are intended to be modified as a result of the parties promulgating the conditions set forth herein. It is understood and agreed between the parties that no other special considerations nor exclusions from the current collective bargaining agreement, not specifically outlined herein, have been authorized.
