General Information

Mission Statement: Our mission is to enrich the quality of life for our community through parks, recreation and cultural arts.

Vision: Our vision is to provide for now and future generations a sense of community, preserved green space, diverse programs, excellent customer service and life changing experiences.

We Love Parents But: With your child's best interest in mind, parents are asked not to be in the classroom during programs. Our instructors always welcome the opportunity to discuss a participant's progress with parents at any time. Thank you for your cooperation.

Behavior Policy: Participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make the Recreation Department safe and enjoyable for all participants. Participants shall: 1) show respect to all participants and staff; 2) refrain from using foul language; 3) refrain from causing bodily harm to another participant or staff; and 4) show respect for equipment, supplies and facilities. If participants are not able to exhibit appropriate behavior, or are distracting the teaching, they may be asked to leave the program.

Toilet Training Policy: Children enrolled in a Bloomington Parks & Recreation Department program for ages 3 and older must be toilet trained unless it is a parent/toddler class. Recreation Department programs stress the importance of children practicing their independence and we do not aid children in the bathroom. Our instructors are not responsible for diaper changing or toilet training. The Recreation Department reserves the right to deny participation by a child age 3 or older if they are not toilet trained.

Americans with Disabilities Act: We comply with the Americans with Disabilities Act (ADA) which prohibits discrimination on the basis of disability. We will make reasonable accommodations for individuals with disabilities who meet essential eligibility requirements for the desired program. Individuals with disabilities are encouraged to contact us at (309) 434-2260 regarding special accommodations needed for enjoyment of programs. Those who use telecommunications for the deaf (TTY) may reach the Recreation Department by calling our TTY number (309) 829-5115.

Sincere Appreciation: A great big "thank you" goes to the District 87, Unit 5 and Central Catholic High Schools for the use of school facilities. The extra time and energy from secretaries, custodians, teachers, and principals is greatly appreciated.

WEATHER SAFETY GUIDELINES FOR OUTDOOR RECREATION PROGRAMS

Heat:

Outdoor programs and events may be cancelled if temperatures reach 100 degrees and/or a heat index of 104 degrees. SOAR will follow the Special Olympics guidelines of 95 degrees and/or a heat index of 102 or higher.

Make-Up Policy:

When applicable, efforts will be made to make up any cancelled programs and/or games with no guarantee(s).

Weather Related Communication:

- 1) Program Cancellations will be determined no earlier than 1 hour prior to the start of a program. If weather worsens less than 1 hour prior, cancellations can still be made with every effort to contact participants.
- 2) Special Event Cancellations will be determined no later than 3 hours prior to start. If weather worsens less than 3 hours prior, cancellations can still be made with every effort to contact participants.

Tree Trimming

Trees are trimmed for pedestrian and traffic clearance as well as selective thinning of branches, removal of dead wood, or storm damage repair. Trees are not topped, unless deemed necessary by the City Forester or a member of the staff.

At the Parks and Recreation Department, we have established a goal to increase the quality of trees within our City parkways and parks. The Department is governed by guidelines set within our Forestry Ordinance, Chapter 19, Number 1984. This ordinance permits the Parks and Recreation Department to plant, trim, spray, preserve, and remove any tree on City property to insure public safety or to maintain the health of the tree.

The ordinance also requires that anyone wishing to plant or have work done to a tree on City property, by someone other than our Forestry staff, secure a permit from the Parks and Recreation Department first. Any questions please call (309) 434-2280.

Tree City USA

The City of Bloomington is a designated Tree City USA - a program sponsored by the National Arbor Day Foundation in cooperation with the USDA Forest Service and the National Association of State Foresters. To become a Tree City USA, a community must meet four standards: a tree board or department, a city tree ordinance, a comprehensive community forestry program, and an Arbor Day observance. Bloomington's staff of certified arborists and trained professionals enhance the Tree City USA designation.

Registration Policies

Corporate City of Bloomington residents have the opportunity to register one week prior to non-residents.

RESIDENT REGISTRATION begins at 5:00 AM April 12, 2023
NON-RESIDENT REGISTRATION begins at 5:00 AM April 19, 2023.

Online registration will be available at 5:00 AM on the first day of registration; mailed, faxed and drop-off registration will be processed beginning at 8:00 AM on the first day of registration. All registrations received prior to the first day will be processed at random. All registrations received thereafter will be processed randomly on a daily basis.

Payment of Fees: Fees may be paid by cash, check, VISA, Discover, MasterCard or American Express at the time of registration. All monies are immediately deposited. Checks payable to: City of Bloomington.

Returned Checks: A \$25 service charge is assessed on all checks returned due to insufficient funds. The original amount of the check plus the service fee must be paid by money order or cash.

Program Enrollment Policy: All programs have a minimum and maximum enrollment, and are filled on a first-come, first-served basis. Bloomington Parks & Recreation reserves the right to cancel, postpone, or combine classes if the minimum enrollment has not been reached. The Parks & Recreation Department reserves the right to request proof of age of persons enrolling in classes.

Program Cancellation: If a program is cancelled due to insufficient registration, a full refund will be given. Please allow three to four weeks for the processing of refunds when program payment was made by cash or check. Credit refunds will be returned to your card.

Refund/Credit Policy: To be eligible for a requested refund or credit to account, the request must be received no less than five (5) full business days prior to the start of the program.

In the case of illness, a credit to account may be issued if program is not yet 50% completed. Prorating of a program in the event of an injury would start from the date of notification of the injury. Written documentation from a physician must be provided. A \$5.00 service charge will be assessed per participant, per activity on any refund. No refunds for program costing \$5.00 or less.

Refunds or credit on account will not be given for contractual programs or trips for which the Department has incurred costs, except in the event of cancellation by the Department.

Confirmation Email: An email will be sent upon registration for a class or program, or if placed on a waitlist. This will serve as a receipt. If you do not have an email on file we will mail the confirmation receipt. With our new system we strongly encourage all participants to have an email on file.

Insurance: Bloomington Parks & Recreation does not carry medical insurance and assumes no liability for personal injuries or loss of personal property while attending Department activities. A participant's own policy must cover any medical costs incurred.

Fee Assistance: Bloomington Parks & Recreation provides a fee assistance policy to reduce certain fees and charges for those who are unable to pay. Application forms are available at the main office and at the Lincoln Leisure Center.

Applications taken at least two weeks prior to the start of a program will be given priority processing; however, fee assistance fund availability and program registration cannot be guaranteed. Proof of residency and income are required at time of application, and a 50% deposit. All requests will remain confidential.

All requests will be reviewed and applicants will be notified at least one week prior to program start dates. The decision of the Recreation Department will be final.

Helpful Hints: Friends In Same Class? If two or more persons from different families wish to be enrolled in the same class, registration forms and checks must be fastened together with a note indicating same. *(If only one space is available, no one will be enrolled.)*
