Dear Mayor:

This is to advise you that Ameren Illinois will be trimming trees in and around the Bloomington area in the near future. Enclosed are maps and common addresses of the areas affected. Ameren Illinois is mailing a notice to customers affected by the tree trimming work. We are also providing a public notice in the newspapers covering your area.

Our qualified line clearance trimmers will trim trees that could interfere with electric lines that run from pole to pole. This free service is necessary to minimize the likelihood of power outages and safety hazards.

If you have any questions about the tree trimming work to be done, please call **1.800.755.5000**, or visit our website at: **MySafeTrees.com**.

Affected customers and property owners may address their concerns about the proposed work in the manner specified on our website. You may also call the Consumer Services Division of the Illinois Commerce Commission at 1-800-524-0795.

Sincerely,

Nikki Garcia
