

Council Questions  
City Council Meeting Agenda  
March 14, 2016

Alderman Hauman asked:

David and Jim --

I am "assuming" that this reflects on the plan that was approved by the council years ago and that the city has no additional financial responsibility by approving this resolution - like moving more water uphill. Is that a correct assumption?

Alderman Hauman,

That is a correct assumption.

Let me know if you have any other questions.

Jim
